How will my application be assessed?

Funding awarded through this opportunity is calculated for each organization through two components:

- your organization's eligible expenses
- equitable distribution of available funds to all eligible applicants

Funding for Community Support Organizations is established by the AFA Board of Directors based upon the annual AFA Budget allocated by the Government of Alberta. Department staff evaluate applications according to eligibility criteria and prepare recommendations to the board. The AFA Board of Directors reviews all funding recommendations, and all decisions are final.

When will I hear?

Grant recommendations are made to the AFA board of directors. Successful recipients will be notified upon board approval, generally between four to six months from the application deadline.
