How will my application be assessed?

Arts Presenting funding and funding maximums are established annually by the AFA board of Directors. The annual AFA budget is based upon funds allocated in the annual Government of Alberta budget.

This grant is calculated by formula.

- up to 65% of fees paid to Alberta artists. Ensemble members may not be separated out and residency is determined by majority of ensemble members
- up to 50% of fees paid to Canadian artists from the rest of Canada
- up to 50% of fees paid to International artists to a maximum of 1/3 of the eligible Canadian/Alberta subsidy. International children's artists are exempt from the restriction. Children's artists are those who primarily play to audiences where over 50% of the audience is under the age of 16 years

Staff evaluate applications according to the program grant stream criteria and prepare recommendations to the AFA board.

Available funds are equitably distributed to all eligible applicants according to a formula.

Funding is not assured for any project. All decisions are final.

When will I hear?

Grant recommendations are made to the AFA board of directors. Successful recipients will be notified upon board approval, generally between four to six months from the application deadline.

Conditions

The AFA will retain all materials submitted with funding applications. The AFA or our authorized representative may examine a funding recipient's financial and other records to ensure that all claimed expenses were undertaken as outlined in the funding application.

The AFA may cancel, suspend, reduce or demand repayment of funding in circumstances where the AFA is concerned with the viability of an organization as per the [AFA Fair Notice policy](#).

The AFA does not provide advances for any grant.

## **Funding acknowledgement**

Whenever possible, you must acknowledge the AFA for financial support in any publicity prepared in relation to the project, including electronic, print or visual material.
