How will my application be assessed?

Funding awarded through this opportunity is calculated based on Community Derived Revenue (CDR). CDR is defined as an organization's total annual revenue minus all federal, provincial and municipal government grants. Your organization's CDR is then divided by the sum of the CDRs for all eligible Community Performing Arts Organizations, and then multiplied by this funding opportunity's budget to determine your funding allocation.

Funding for Community Performing Arts Organizations is established by the AFA Board of Directors based on the annual AFA Budget allocated by the Government of Alberta. Department staff evaluate applications according to eligibility criteria and prepare recommendations to the board.

The AFA Board of Directors reviews all funding recommendations, and all decisions are final.

When will I hear?

Grant recommendations are made to the AFA board of directors. Successful recipients will be notified upon board approval, generally between four to six months from the application deadline.
